## FOR IMMEDIATE RELEASE

### **Nighttime Work Scheduled for Emergency Shoulder Repair on State Route 13 at Moraga Avenue**

**Oakland, Alameda County** – The California Department of Transportation (Caltrans) has scheduled an overnight emergency shoulder repair project on State Route 13 (SR-13) northbound at the Moraga Avenue on ramp Friday April 1, 2016.

The SR-13 NB on ramp at Moraga Avenue will be closed to facilitate the work from **Friday April 1 at 8:00 PM until Saturday April 2 at 2:00 AM**. It is possible that work will take longer to complete. All scheduled work schedules are weather permitting.

- **Some of the work involves pavement grinding, noise and lights.**

Friday's paving project will provide an interim stability solution for the highway shoulder, in advance of a planned storm damage repair project anticipated to start in the coming weeks. More information is available on that project at <http://www.dot.ca.gov/dist4/projects/13storm>.

Please contact the public information officer to be placed on an email list for project advisories. Motorists should drive with caution through the work zone.
